

## **Jesus – The Mother Hen**

### Discussion Questions

1. Who is Jesus directly speaking to in this chapter? (see Matthew 23:1). Could there have been Pharisees in the mix or perhaps within earshot?
2. Discuss how this passage reveals the heart of Jesus for his children, and in particular the Pharisees.
3. Do you and I struggle with self-will and self-righteousness in similar ways to the Pharisees?
4. What is the sheltering care and protection of Jesus like for you?
