

Prayer in Selecting the 12

Discussion Questions

1. Have you ever considered seriously praying about whom God would have you to commit your time in a mentoring relationship? Perhaps you would be in a place to reverse this prayer and pray for recognition in identifying a suitable mentor for yourself?
2. Other passages show that Jesus shared an even closer relationship with Peter, James and John. As a human Jesus was limited to the number of people he could invest in. How do these same limitations affect our relationships?
3. Jesus had a pattern of having his followers observe him doing ministry, then participating with him in ministry, and then sending them out in groups of two for short-term missions. Think of relationships that you are in that display a similar pattern and then discuss.
