Hope Avenue

We believe that intentional preparation, inclusive gathering, and inspirational Sunday services are healthy practices for the Hope Avenue. What does it look like to create an inclusive gathering? What inspires you to worship God? What could it look like to inspire others to worship God? How can we intentionally prepare to include everyone and inspire them to worship God? Is there an aspect of the Hope Avenue that you are passionate about or want to learn more about?

Faith Avenue

We believe that church life, cross-generational care, and connect groups are healthy practices for the Faith Avenue. What does a vibrant church life and community look like to you? How do cross-generational friendships help us to grow more like Jesus? What would it mean to you to participate in a connect group? Is there an aspect of the Faith Avenue that you are passionate about or want to learn more about?

Love Avenue

We believe that mapping your neighborhood, making friends & disciples, and missional activities & events are healthy practices for the Love Avenue. What could it look like to get to know your church neighborhood? What ideas do you have for activities or events in the community? What opportunities do you have to make friends in your neighborhood or community? Is there an aspect of the Love Avenue that you are passionate about or want to learn more about?
