AVENUE CHAMPIONS:

When we talk about an **Avenue champion**, we are talking about someone who supports the church by leading the ministry team in the Hope, Faith, or Love Avenue.

Responsibilities of an Avenue champion: create and empower a team, develop and equip ministry workers, coordinate with other Avenue champions. As teams are established champions continue to encourage team members by providing support and challenge, as well as engage new team members to participate within the Avenue ministries.

In each of the Avenues, these responsibilities become nuanced based on the purpose of each Avenue.

Summary:

Avenue champions are an essential part of Healthy Church. We need all three Avenues to collaborate to be the church. We're healthiest when we are attending worship services, building faith and relationships in connect groups, and letting the love of Jesus flow out into our neighborhood.
