

# RENEE OVERTON

Social Media Coordinator - Cleveland, OH

**Tell us about your role in your local congregation.**

I am the Grace Communion Cleveland (GCCLE) Social Media Coordinator. I monitor the social media accounts and create relevant, engaging, timely content which reflects the culture of our congregation.

**What skills do you bring to the role?**

I have a deep desire and passion to serve Christ. I also have a Bachelor of Arts in English Literature and Language which has given me effective communication skills – verbal, visual, written, and relational.

**What makes you a good fit?**

Personally, I use social media frequently and enjoy encouraging others.

**What do you want people to know about working here?**

The members of Grace Communion Cleveland are a loving group of people who believe that God is, first and foremost, love, loving us more than we love ourselves, or even know how to. Our mission statement is growing in faith, living in hope, and serving in love. It is my joy to support that mission through this role, and I have fun doing it.

**What excites you about this role?**

Social media has changed the way we communicate. It has given us an immediate way to connect and share with friends, family, as well as strangers. I love the idea of being able to encourage, uplift, and share the love of Christ with our members, as well as those who just happen to come across our page.

## Get to Know Renee

**1.**

**What is something people don't know about you?**

I love old movies and can identify them by quotes. I have fun, friendly competitions with friends and family.

**2.**

**What else is important for our readers to know?**

My very first bible teacher was my mother.

**3.**

**How are you learning to be rooted in place?**

Prayer is important. But morning prayer is essential for me. It's important to touch base with the one who controls all before the day gets started. Psalm 5:3 says, "In the morning, O Lord, You will hear my voice; In the morning I will order my prayer to You and eagerly watch."
